# Dudley M. Hughes

The Macon Vocational School was first established in Bibb County in 1933. It became a combination vocational school and accredited high school in 1947. It has been customary for the schools in Bibb County to be named for men who have contributed something to education. The Bibb County Board of Education decided this should be done at the Macon Vocational School. Dudley M. Hughes was selected in honor of Congressman Hughes. Mr. Hughes, along with Senator Hoke Smith, sponsored the first act in the U. S. Congress providing federal support to vocational education. The name was officially changed on the first of July, 1955.

## Message From Our Principal---

It is my sincere desire that each student who passes through the Dudley M. Hughes Vocational School will leave us possessing the four cornerstones of success.

**Character**—the guiding hand which encourages a person to do what is right regardless of consequences.

**Health**—the condition of the body and mind which helps us to better enjoy life.

**Personality**—the ability of a person to convert his energies into habits, or actions, which successfully influence other people.

**Knowledge of a trade**—so that you may be better qualified to compete with other people in the business world.

If our influence with you does help you to enjoy a full, pleasant, and successful life, then we, as a school, have served our purpose of existence.

## We Burst Into Print

Several Hughes boys were quite interested in the question: What do you think of the cut-away or jeans? The boys will be wearing them. We think it's a good idea.

Richard "Little Bit" Stripling and Freddie Pipkin entertained the folks with a real gone dance together. Those that couldn't attend the dance really missed a shindig.

Etta Jo Young, Barbara Tucker and Martha Owens were elected by the class to plan for the dance.

Mr. Staton, "I am very proud of my seniors and their good work!" Mrs. Rogers, "I think everyone behaved well and it was a very good dance."

The seniors are very proud of their good work on the dance.
